

Dentist Service for Elementary Students of Gyeonggi

Gyeonggi, in cooperation with dentist, public health center, and elementary school, is launching 'Gyeonggi Elementary Dentist Project' for 4th and 5th graders who are in an important stage for oral health care. To provide oral health care service, we are asking for your full cooperation so that your children can build a strong base for proper dental and oral health care.

Service period	Service target	Service place
June to November 2021	<ul style="list-style-type: none"> 4th and 5th graders who reside in Gyeonggido (special schools included) Children of ages 10 and 11 who are not in schools or have not been registered. ★ Children who are not in schools should consult public health care center (verification of address and age needed) 	<ul style="list-style-type: none"> Specified by dentist of Gyeonggi ★ Confirm at school board or Denti-i app ※ Designated medical institutions in Gyeonggi can be used regardless of city/country

- **Service cost** : Provided by Gyeonggi ※ If treatments that are not provided are needed, guardian will be charged a fee.
- **Order of the service provided** ※ Reservation is mandatory, walk-ins will not be available for checkup.
